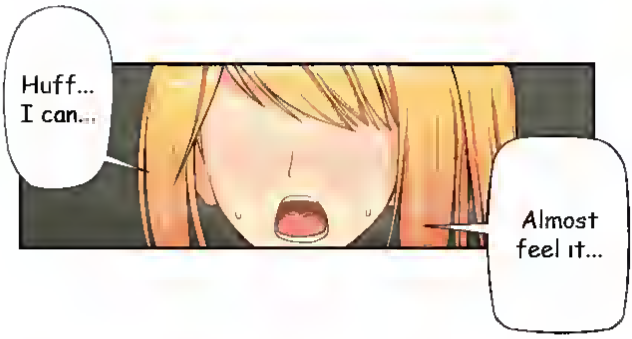
Hurry up and do it.
Are you ready?



Huff... I can...
Almost feel it...

Concentrate! We can get through this!

꼬아
Good... Just like that...
앙

Ah...!
하아
하아
Kuh!
Be gentle...!

I'm... getting horny already...
WHAT ON EARTH IS GOING ON IN YOUR HEAD?!!!
체육 창고에 갇힌 두 사람
기회인가?
위기인가?

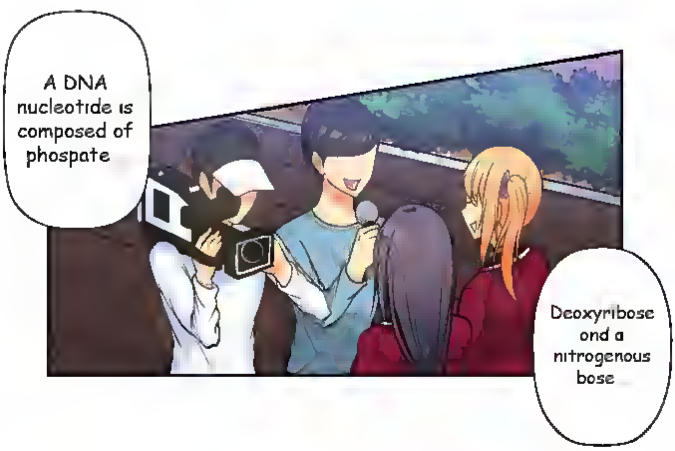
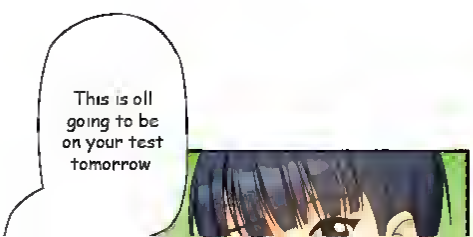
Class, turn to page 132.
If you look at the diagram on the left...

You can see DNA is helically structured



A DNA nucleotide is composed of phospate
Deoxyribose and a nitrogenous base



This is all going to be on your test tomorrow

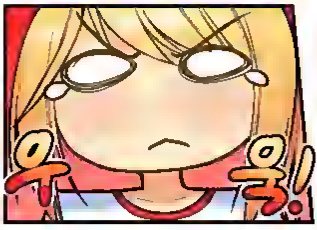
So make sure you review to prepare

Hey Yoo Suk, the guys and I are going to go hang out at a Karoake Bar after school want to join us?

Come on...
Can't yau take a break fram work and jain us?
Gym

끼-잉-
I still have to clean the gym you know...

...!

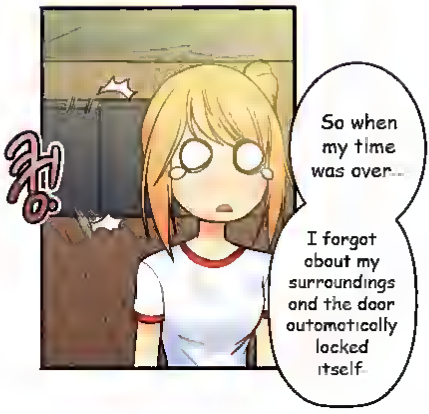


으으으!

Hmph, I wasn't crying! I just had dust in my eyes, that's all!
No one else is here... so can't you drop the tsundere act and tell me why you are here?

I wanted ta practice my dance moves during my free time...

So I booked the room till the end of the period
But while I was practicing...
I lost track of time and didn't pay attention...



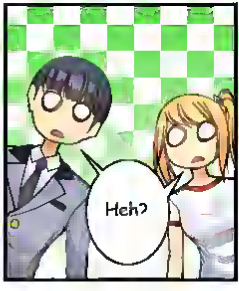
So when my time was over...
I forgot about my surroundings and the door automatically locked itself.

우비
우비

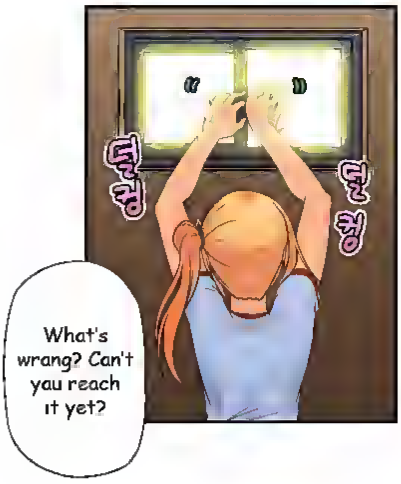
But now that you are here, everything is alright!
꽉!
Let's go home now Yoo Suk!

Actually, it's a funny story really
I also booked the gym for a few minutes since it is my duty to clean it

쿵!
My time isn't up yet I think...

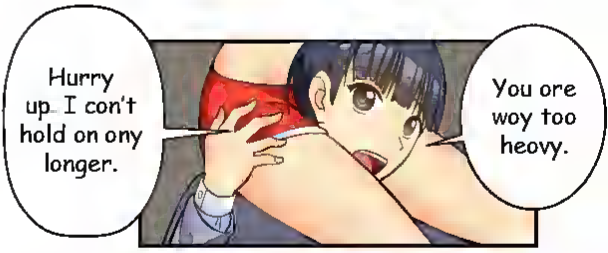


Heh?



덜컹
덜컹
What's wrang? Can't yau reach it yet?

I am trying
Boost me up o little higher.



Hurry up I con't hold on ony longer.
You ore woy too heovy.

HEAVY!?
끙!
뻐

Huh? Why are you moving!?
WHY WOULD YOU CALL ME HEAVY!?
Yura, stop it! If you keep moving, we are going to fall down!

I'm falling down!!!

I, I told you!!!
쿵!
SHUT UP!

Ow ow ow...!
바들
That hurt
바들

I'm really sorry. Can you get up...?

Did you really want me that much...?
STOP TALKING AND PULL UP YOUR PANTS!

Yoo Suk's unfortunate predicament!
